Hello Parents and Guardians! I have had the pleasure of representing your voice over the past two years on the CSC Executive Parent Committee and hope that I can have your support to serve once again for the 2024/2025 school year. I currently have three children that are attending FMM who are in grades 9, 11 and 12. Watching my children grow up and become young adults has been one of the greatest joys of my life and being involved in their school has given me an opportunity to connect with other parents, students and teachers. I have owned several businesses in Markham and have always enjoyed supporting our local charities including Markham Stouffville Hospital. I currently own a commercial real estate brokerage along with a licensed property management firm. I am also a licensed Paralegal with the Law Society of Ontario, a Notary Public and Commissioner of Oaths. I currently sit on the York Region Catholic Parent Involvement Committee (YCPIC), Toronto Regional Real Estate Board Commercial Committee and the Markham Jazz Festival Committee. I am looking forward to meeting all of you personally at our next parent meeting.
