Shama Ansari

My name is Shama Ansari, I have a child in grade 12, grade 9 and another in grade 8 who will, God willing, attend FMM next year. I have been a part of FMM School Council for the past three years in the capacity of Vice-Chair and Chair. It has been an honour serving the school community and facilitating events benefiting students, parents and staff such as hosting career pathways workshops, student and staff appreciation events as well as working with FMM administration on enriching and safeguarding our children and parent community. In May we brought Paul Davis, an expert in cyber security trained in dealing with teen online safety, to our school equipping parents, students and staff with valuable tools in our digital age. I believe my work as legal counsel with the Ministry of the Attorney General, my three years experience serving as Vice-chair and Chair on School Council and my approachable, friendly and goal oriented nature will benefit the school community greatly this year. It would be an honour to serve as your voice as Chair of FMM school council. I look forward to meeting all of you soon! Thank you!

Sahir Jamal

My name is Sahir Jamal, and I'm a commercial realtor, property manager, notary public, and a licensed paralegal with the Law Society of Ontario. Community involvement has always been important to me. I've had the pleasure of previously serving on the ****FMM Parent Committee**** and am currently a member of the ****York Catholic Parent Involvement Committee****. I've also had the pleasure of serving for several years on the ****Commercial Committee**** with the Toronto Regional Real Estate Board and for more than three years with the ****Markham Jazz Festival**** as both a committee member and director. In **2022**, I was honoured to be nominated by the ****Markham Board of Trade**** for the ***Community Relations and Cultural Enrichment*** award. My eldest daughter recently graduated with honors from FMM IB program and is now attending University of Toronto studying life sciences. My second daughter is in grade 12 and my son is in grade 10. I'm always looking for ways to contribute my knowledge, share ideas from fellow parents, and strengthen the connections between families, schools, and community resources. I am looking forward to your support.

Mutuza Rampurawala
